Well, it turns out that all of the actual 737 content for this app came from the renown Bill Bulfer, a major airline Captain turned author. He took it over from Bruce Sprague in 1998 and continues the tradition. His books are often used by real world pilots around the globe and can be purchased at his site, Leading Edge Publishing.

Bill Bulfer's 737 Cockpit Companion is a good solid resource for the 737 pilot. It was very helpful in learning the systems of the 737. The book covers almost all variants of the 737 including the Next Generation aircraft. With the book you get cockpit and system panel pullouts that help in learning the aircraft.

Hi all, Im thinking to buy the B737NG FMC User Guide of Bill Bulfer to prepare myself about the FMC for the coming PMDG 737NGX. The FMC version is U10 and all software features are of the Smiths Industries FMC. 1.- I would like to know if this book is compatible with the coming PMDG 737NGX FMC. Has...

professional airline and simulator pilots operating the Boeing 737. This pilot guide provides technical notes and management advise to handle over 300 non-normals. These notes are based on more than 25 years and 20,000 hours experience on Boeing aircraft. There are several excellent technical guides that describe 737 systems in depth, such as Bill Bulfer's Cockpit Companion and Chris Brady's Technical Guide, which I can recommend.

Quite recently we reviewed 737 Alerts by Bill Bulfer and we thought it was an awesome learning tool for Boeing's popular 737. Around the same time Bill, alongside software developer Robert Dorsett, produced B737 QRG. We have spent a few weeks playing with it! First thing we noticed as with 737 Alerts, is that it is intuitive and quick to navigate.

Bill used to only offer one 737 FMC guide - for the Smiths FMC on the 737. The NG-only guide drops a lot of stuff from earlier software revisions that are only found on earlier airplanes and offers some revisions from the big guide - I'm going to order the update to the NG guide today. He offers two cockpit companions as well, and they're set up the same way, one big book covering everything, and a smaller one covering just
