Eventscotland Events Management A Practical

Our practical guide to event management was published to provide a resource of general advice and support material for event managers. Primarily, it has been designed as a support tool for the National Events Programme but it may also be of interest to the wider events sector. The aim of this guide is to assist effective event management through the provision of a step-by-step guide to the planning process, together with sample checklists and adaptable templates.

Management: A Practical Introduction 9e

Begin planning as soon as you possibly can. If your event is a large event you should realistically begin planning it four to six months in advance. Smaller events need at least one month to plan. To keep the final run up to the event flowing smoothly, try to ensure that all vendor contracts are completed a few weeks before the event. 2. Remain Flexible
