The Peace of Illusions: American Grand Strategy from 1940 ...

"The Peace of Illusions is the clearest and most sophisticated argument for a radical alternative to the last sixty years of grand-strategy orthodoxy. It also signals a significant fluidity of ideological labels in the new debates on the direction of U.S. policy, itself a symptom of the widespread disorientation among American intellectuals on the world-political role of their state.

The Peace of Illusions: American Grand Strategy from 1940 ...

The Peace of Illusions is an excellent analysis of U.S. grand strategy since World War II that demonstrates the continuity of President George W. Bush's foreign policy with the past. It provides a critique of the U.S. quest for hegemony over the past sixty years and proposes a policy of offshore balancing to protect American interests.

Peace of Illusions: American Grand Strategy from 1940 to ...

The Peace of Illusions intervenes in the ongoing debate about American grand strategy and the costs and benefits of "American empire." Layne urges the desirability of a strategy he calls "offshore balancing": rather than wield power to dominate other states, the U.S. government should engage in diplomacy to balance large states against one another.
