An awesome lady in my Uncustomary Babes group asked me if I could write a list of 50 things to do when you're sick, and I agree that was something we needed in our arsenal! It sucks when you're sick, no matter what kind of sick it is, and it's important to keep your spirits high so you don't go crazy!

50 Things To Do When You're Sick | Uncustomary

What to do if You're Locked Out of Your Account. This one can be really scary, but if you get locked out of your account completely, there's no reason to panic. You can get it back. First, go to Facebook's "Hacked" page. It'll ask some questions—just answer them to re-gain access to your account.

What to Do if Your Facebook Account Gets "Hacked"

When your iPad won't power up, you can try a few things to solve the problem: Try to power the iPad on. Press and hold the Sleep/Wake button at the top of the iPad. If the iPad is just powered off, you should see the Apple logo appear after a couple of seconds. This means your iPad is starting up and should be good to go in a few more seconds.

What to Do When Your iPad Won't Turn On

How to check if you've been hacked. If you worry that your account has been hacked, there is a simple way to check. Go to the arrow in the upper right-hand corner of your Facebook page and click on it. In the menu, select Settings. A new menu will pop up. Choose Security and Login and then Where You're Logged In.

How to tell if your Facebook has been hacked (and what to do)

Hackers get just enough information to hack into a credit or debit card account to make fraudulent purchases (usually online) where they can get away with it. Hopefully, your bank has systems in place to track suspicious activity. You can do your part by opening up your at-risk accounts and checking your account activity yourself.

I've Been Hacked! What you need to do fast.

If your iPhone was given to you through work, notify your employer of the theft immediately. Your corporate IT department may be able to prevent the thief from accessing critical business information. Your employer may have given you guidelines about what to do in case of theft when they issued the phone to you.

Do These Things When Your iPhone Is Stolen
